

Certificate of Quality

Nr: 890-4211

The Centre of Preventive Medicine (ZPMed®)
certifies that product

Aura Roboclean

by

Aura GmbH

complies with the requirements of Preventive Medicine
being a healthful product.

It is considered to be suitable for health care.

The period of validity of this certificate expires after one year's date.
Its prolongation is subject of the fulfillment of the
test criteria specified for healthful products.

This certificate will be valid until December 2011

Bad Kissingen, im Oktober 2010
